EVENT POSTPONED: IMEDIA ONLINE RETAIL SUMMIT NEW ZEALAND

In view of the rapid escalation of COVID-19 around the globe, [iMedia Online Retail Summit](#) has been rescheduled to **14 – 16 September** at the Hilton Lake Taupo, New Zealand.

As a result of continued health concerns from [New Zealand Government Department of Health](#) and The World Health Organisation declaring the COVID-19 a global pandemic, Comexposium wish to ensure the welfare and safety of delegates, sponsors, partners and employees.

Our delegates, sponsors, partners and employees are our top priority and we strongly believe this is the right decision given the current circumstances.

Comexposium appreciate the show of support that we have received from the iMedia community in response to safeguarding the event and we look forward to hosting our delegates in September.
